

Gallatin Electric, Inc.
Privacy Notice

This privacy notice discloses the privacy practices for www.gallatinelectricservice.com. This privacy notice applies solely to information collected by this web site. It will notify you of the following:

- 1: What personally identifiable information is collected from you through the web site, how it is used and with whom it may be shared.
- 2: What choices are available to you regarding the use of your data.
- 3: The security procedures in place to protect the misuse of your information.
- 4: How you can correct any inaccuracies in the information.

Information Collection, Use, and Sharing

We are the sole owners of the information collected on this site. We have access to collect information that you voluntarily give us via email or other direct contact from you. We will not sell or rent this information to anyone.

We will use your information to respond to you, regarding the reason you contacted us. We will not share your information with any third party outside of our organization, or other than as necessary to fulfill your request, e.g. to set an appointment for service or apply for a job.

Unless you ask us not to, we may contact you via email in the future to tell you about specials, new products or services, or changes to this privacy policy.

Your Registration Information

In order to make an appointment on this website, a user must first complete the registration form. During registration a user will be required to give certain information (such as name and email address). This information is used to contact you about the products/services on our site in which you have expressed interest. We do not ask or require credit card or financial information over our site.

Your Access to and Control Over Information

You may opt out of any future contacts from us at any time. You can do the following at any time by contacting us via the email address or phone number given on our website:

- * See what data we have about you, if any.
- * Change or correct any data we have about you.
- * Have us delete any data we have about you.
- * Express any concern you have about our use of data.

Cookies

Our website does not require a password and therefore we do not use cookies to identify you. We do use cookies to track and target the area the usage is coming from (country or state) as well as what search engine you used to find our site. This is to better enable us to monitor our areas of advertising. Usage of a cookie is in no way linked to any personally identifiable information on our site.

Sharing

We do not share information with any partners or advertisers. Our website is maintained by Sundry Solutions, Inc. PO Box 80243 Billings MT 59108, phone (406) 698-9955 they are the only other company that has access to information you put into the website.

And/or:

We use a credit card processing company to bill users for goods or services. The information is called into Merchant Services which is a credit card authorization company. The information is voice authorized or through key push on the telephone. The authorization number is issued and the card information is shredded immediately.

Comment cards

If you link to answer our customer survey concerning the service you received. The information requested will be contact information, your name is the only personal information we will ask you, how your service was preformed, and the satisfaction of your service. Survey information will be used for purposes of monitoring or improving the use and satisfaction of our customer service.

Security

We take precautions to protect your information. When you submit sensitive information via the website, your information is protected both online and offline.

We do not collect credit card information over our website. The only thing that comes over the site is your name address and phone number.

Your information is protected at our office. Only employees who need the information to perform a specific job (for example, billing or customer service) are granted access to personally identifiable information. The computers/servers in which we store personally identifiable information are kept in a secure environment.

If you feel that we are not abiding by this privacy policy, you should contact us immediately via telephone at 406-388-2126 or via email.
